Public Comment: John, Sharon, and Kevin discussed with the Board the need for a noise ordinance that will ensure ATV/UTV riders are not disturbing the public. Neighbors with 1 acre lot are riding atv's for 10 hours at a time. Maybe we need a Nuisance Ordinance to address this situation? Possibly a Nuisance Law? Is there a way to enforce such Ordinance/Laws? This is in an R-1 District. Police are involved with limited enforcement rights.

Master Plan Review: Draft complete (Eric unavailable). Downtown images need permission to ensure copyright. Reformatting: need review of format (Denise), completed estimate is October.

Article 7: Supplemental Regs.: Full review with few changes to be made.
